

## **Year 1**

### **Say Cheese!**

#### **The Big Idea**

We are surrounded by images of people and places - on TV, in magazines and online. But have you ever thought about who takes these pictures, and what equipment they use? In this unit we'll be learning how to take the perfect picture and capture some memorable moments, just like a professional photographer!

#### **Explaining the Theme**

In ICT & Computing we'll be finding out:

- How to handle photographic equipment
- About techniques for taking successful photos
- About photography as a profession
- How to download save, edit and print out photos
- How to publish photos on the internet to share them with others
- About ways to stay safe online
- How to write and debug a simple computer program or algorithm

In International we'll be finding out:

- How the internet allows us to find out more about the lives of children in different countries and make comparisons with our own
