

ATTENDANCE = ACHIEVEMENT

"The Quarterly Attendance Newsletter from North Somercotes CE Primary School"

The link between attendance and achievement is clear. It is vitally important that your child spends as much time in school as possible. **In our school children who reach our attendance target achieve better than those who don't.** This newsletter highlights how we support and encourage good attendance and how we inform you of your child's level of attendance.

Our whole school
Attendance Target is 96%

Whole School Attendance – up to 12th May 2017
(75% of the school year)

Come on Year 3 – you are the only class not reaching our whole school attendance target!

Individual Attendance Trackers

You will have received your child's Individual Attendance Tracker along with an electronic printout of their attendance. Please read this information carefully. We send this out regularly to inform all parents of current attendance levels at key milestones throughout the school year. Our Whole School Attendance Policy requires that we closely monitor children whose attendance is below 95%.

Those children whose attendance is below 90% are classed by the Government as Persistent Absentees. We are duty bound to support these children and families in improving their attendance and our Attendance Panel will be meeting to discuss all Persistent Absentees in the summer term. If your child has an attendance below 90% we will be contacting you before the end of the academic year.
