Governing Body Report on Progress

The **Governing Body** continue to monitor the progress of the school against key priorities through the School Development Plan Steering Committee (SDPSC). We meet with Mr Floyd termly to **challenge the progress** of the School Development Plan and **support school management** to ensure all objectives are met.

We **met with Mr Floyd last week**. The purpose of this meeting was to analyse the School Development Plan (SDP) for the year and establish the key areas for development.

The current School Development Plan has 4 main improvement areas:

- **Raising Attainment in Writing**
- **Mobilise Project – Maximising the use of Teaching Assistants**
- **Safeguarding**
- **The Effectiveness of Early Years**

Throughout the year we will report on progress against these key improvement objectives. Thus **keeping you informed of how we are holding the school to account**. We will inform you of our further monitoring once the SDPSC have next met in the Spring Term.

Have you got the SKILLS, TIME and COMMITMENT to join our Governing Body?

We currently have vacancies for 2 co-opted members of our Governing Body. We are looking to co-opt representatives from within our local community who can add to the skillset of our existing team. If you have a good knowledge of finance, law, education or any other skillset you believe will help our school we are interested to hear from you. You will also need to have the capacity to attend meetings during the school day. This is a really exciting opportunity to help support your school. Please put all applications in writing to Mrs Sue Irwin, Clerk to the Governing Body. For an informal discussion please contact Mr Rik Coleman, Chair of the Governing Body, or Mr Floyd, Headteacher.

Thank you for your continued support.
