## Governing Body Report on Progress

The **Governing Body monitor the progress of the school** against key priorities through the School Development Plan Steering Committee (SDPSC). We meet with Mr Floyd termly to **challenge the progress** of the School Development Plan and **support school management** to ensure all objectives are met.

We **met with Mr Floyd at the end of November**. The purpose of this meeting was to analyse the School Development Plan (SDP) for the year and establish the key areas for improvement.

**The current School Development Plan links areas of improvement to the areas monitored by Ofsted:**

- Effectiveness of leadership and management
- Quality of teaching, learning and assessment
- Personal development, behaviour and welfare
- Outcomes for children and learners
- Effectiveness of early years

**Key improvement areas for 2017-18 include:**

- Developing new and improved strategies for the teaching of maths
- Reviewing the role of subject leaders in school
- Ensuring we continue to work closely with partner schools across the Louth area and within the Kyra Teaching School Alliance
- Embedding our work on maximising the role of teaching assistants
- Externally verifying our self-evaluation of safeguarding

Throughout the year we will report on progress against these key improvement areas and all aspects of the SDP. Thus **keeping you informed of how we are holding the school to account**. We will inform you of our further monitoring once the SDPSC have next met in the Spring Term.

Thank you for your continued support.

The Governing Body of North Somercotes CE Primary School

**Attendance = Achievement**
