Harvest Festival – Thank You

We had a lovely Harvest Festival Celebration at St Mary's Church before half term; church was absolutely packed with over 60 parents and family members. Thank you to everyone for their generosity with donations – the wonderful team at Meals on Wheels were hugely grateful for all contributions.

Royal British Legion Poppy Appeal

Poppies will be on sale from tomorrow at morning break time. Traditional poppies are available for a donation. Small stationery items are available from 50p to £1. Poppies and stationery will remain on sale until all items are sold out.

Arriving at school – KS2

Please note on very wet mornings the children in KS2 are allowed to come straight into school. Mr Floyd or another member of staff will monitor the front of school. Children are required to use their usual entrance and parents/carers are requested not to enter school without authorisation. This ensures we enable the children to enter school safely and calmly. On very wet mornings, it is best not to arrive at school before 8:45am. KS1 doors will be opened at 8:45am as usual.

Coats

All children should have a coat in school. The children go outside for break in the majority of weathers and can be outside for up to an hour each day. Children who do not have a coat will not be allowed outside. Please ensure your child has a coat in school.

School Christmas Dinner

The School Council have completed their survey with the children and staff to decide the menu for our Christmas dinner. The winner was a **Gourmet Festive Buffet/Afternoon Tea**. This will take place on **Monday 17th December**. This can be ordered once the menu covering that week is sent out.
