Impact summary

Impact area	Summary
What has been the impact on pupils' participation?	The number of children participating in PE and School Sport has significantly increased with all children receiving high quality coaching from trained professional coaches across a variety of sports. All children have a 6-week programme of high quality dance training and have the opportunity to participate in a number of different sports, including para sports. All children are given the opportunity to complete in inter-school sports competitions.
What has been the impact on pupils' attainment?	Children in our school attain well in PE with the very large majority meeting an expected standard across a variety of sports. We have had numerous successful sporting achievements in sport including swimming, cross-country, football and New Age Kurling amongst others. Ensuring daily levels of activity, including using Activate in the mornings, has supported behaviours for learning and contributed the strong academic outcomes we achieve as a school.
How will the school sustain the improvements?	Maintain excellent links with coaching providers. Further embed partnership with the Wolds SSP and access the training programme on offer. Dance provision to be funded for 2019-20. Develop school environment for younger age groups to enhance physical activity opportunities outdoors.
