20th March 2020

Dear Parents/Carers

Free School Meal Information

*Please note: We have a section on Coronavirus on our school website www.nspri.co.uk. This includes **a latest news feed, all letters sent home, links to latest government guidance and information regarding home learning.** Please use this as your first point of access for information.*

Although the Government dictates school remains closed to all children, except vulnerable children and those from families of key workers, we still have a responsibility to ensure all eligible children have access to their Free School Meal (this does not include universal FSM).

Whilst we await further Government guidance regarding “voucher schemes” our school kitchen is able to provide packed lunches for all eligible families. **If you would like to order a free school packed lunch please call the school office before 10am on the day the lunch is required to place your order. To ensure collection occurs in a safe and responsible manner we ask that all lunches are collected by car. On arriving at school please stay in your car and call school. A member of staff will then safely pass you the required lunches. Collection of lunches must be between 12pm and 12:15pm.**

Please inform school as soon as possible if you require this service. **If any eligible families require any further help please contact school to discuss this – our school kitchen team is committed to ensuring these children and families get the help they need.** We will update you further regarding vouchers when we have received this information from the Government and Local Authority.

Yours sincerely

Mr P Floyd

Headteacher

Attendance = Achievement
