20th March 2020

Dear Parents/Carers

School Closure (Final) - Coronavirus

*Please note: We have a section on Coronavirus on our school website www.nspri.co.uk. This includes **a latest news feed, all letters sent home, links to latest government guidance and information regarding home learning**. Please use this as your first point of access for information.*

I am sure you are all aware **we have now been instructed to close the school to almost all children today until further notice**. As advised by the government, we will do all we can to stay open for vulnerable children and children of “key workers”. Further information regarding this can be found on the Coronavirus Information page of our school website.

All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.

Please note that this is a national closure so while it is a challenging situation, we are not alone. We’ll re-open fully as soon as we can and will let you know when this is by Text and via the school website.

Today is a tremendously sad day, one I hoped we would never see but we must be positive and all do our bit to emerge from this challenging time of our lives, whenever that may be. I have promised the children a massive party when we are all back at school. I am going to keep that promise and everyone will be invited!

A special mention must go to our wonderful Year 6 children who have all touched our hearts in so many different ways over the years. This may be your last official day at our school, it may not, but make no mistake you are all coming back one day so we can all show you what you have meant to us over the years.

Please keep an eye on the school website – there will be many updates and lots of opportunities to keep in touch. These will develop over the coming days and weeks. Stay safe everyone.

Yours sincerely

Mr P Floyd

Headteacher

Attendance = Achievement
