

**North Somercotes CE Primary School**  
**School Closure Childcare Provision**

**Home-School Agreement**

*We are operating in very testing times. The Government guidance is very clear about the provision schools are able to offer. Please read and sign below.*

**As parents and carers we understand that:**

- If it is at all possible for children to be at home, then they should be. The expectation from the Government is that all parents will take steps to ensure their children are not in school.
- My child will not be required to wear school uniform.
- School is only accountable for providing a safe space for my child.
- I need to provide any medication my child will need as per normal school policy.
- If we are not carrying out our role as a critical worker my child should be at home as per government guidance.
- It is vital that the school has up to date emergency contact details.
- If my child develops any symptoms as per the government guidance I will be required to collect them from school immediately. The school's decision on nature of symptoms is final.
- If you are self-isolating this is for 14 days from the start of symptoms and children cannot come back to school during this period.
- All children will require a packed lunch

These steps are crucial to safeguard our children, parents and staff. The school continues to have a duty of care over all of these groups.

**Name of child/children:**
