November 2020

Dear Parent/Carer,

I hope this letter finds you and your family safe and well at this difficult time. You have received a copy of this letter as we understand you have a child due to start school in September 2021. As you are making this important choice in the life of your family we hope you are considering North Somercotes CE Primary School.

North Somercotes CE Primary School is established as one of the highest achieving schools in the area, graded securely "Good" by Ofsted in March 2018 and receiving a glowing report from The National Society in November 2019. We have a talented and dedicated staff team in place and are able to offer "Single Form Entry" classes for all year groups. We also have some excellent facilities and resources including; 2 minibuses, a cookery classroom, a bright and modern library, a swimming pool and large grounds with exciting areas of learning for the children to explore. We also have our own award winning school kitchen who serve fantastic healthy school meals every day.

In order for you to make an informed decision I would encourage you to make an appointment to come for a look round, when of course it is safe to do so. We do not have formal "Open Days" as we prefer a more personal approach. I am more than happy to personally show you around our school and give you the opportunity to ask any questions bespoke to your child. If you wish to make an appointment please call the school office. **We are currently making appointments to look round school, in line with Covid secure guidance, for after the national lockdown ends on 2<sup>nd</sup> December.**

All applications for school places are made online through Lincolnshire County Council School Admissions and the window for applying opens on 16<sup>th</sup> November 2020, closing on 15<sup>th</sup> January 2021.

Thank you for taking the time to read this letter. Our school website [www.nspri.co.uk](http://www.nspri.co.uk) contains lots of information about our school and our Twitter feed [@nsceprischool](https://twitter.com/nsceprischool) showcases daily life at our school. Please have a look. I look forward to meeting you and hopefully having the opportunity to show you around our wonderful school.

Yours sincerely  
Paul Floyd  
Headteacher

**Attendance = Achievement**
