January 2021

## Free School Meals Information

Dear Parents/Carers,

Although the Government dictates school remains closed to all children, except vulnerable children and those from families of critical workers, **we still have a responsibility to ensure all eligible children have access to their Free School Meal** (this does not include universal FSM). Currently the Government has not put a voucher scheme in place for this period of school closure.

To ensure we meet the needs of the school community **our school kitchen will be preparing weekly food boxes for all eligible families**. These will contain a number of food items, such as bread, eggs, fruit and vegetables that can help support with providing a nutritious meal for your child.

**These will be available for collection from school every Tuesday morning. Please contact school at [office@nspri.co.uk](mailto:office@nspri.co.uk) by Friday 8<sup>th</sup> January to confirm you require a food box for your family.** Families will receive boxes proportionate to the number of eligible children. Families whose children are attending school full time are not eligible as they are having their Free School Meal at school. If your child is partially attending, please contact school to discuss suitable arrangements. In the event you are unable to collect these, we may be able to help with delivery.

If in the meantime you have any urgent needs that we can help with our school kitchen is available to support. Please do not hesitate to contact us.

Yours sincerely

Paul Floyd

Headteacher

**Attendance = Achievement**
